

Application Period Opens: Monday, January 4, 2021

Application Deadline: Friday, February 5, 2021 by 5:00pm AKST

Online Application: www.grantinterface.com/Home/Logon?urlkey=alaska

Eligibility Criteria

The Ketchikan Community Foundation (KCF), an Affiliate of The Alaska Community Foundation (ACF), seeks applications from qualified, tax exempt 501(c)(3) organizations (or equivalents, such as Tribal entities, schools, and faith-based organizations) that support charitable organizations and programs in the **Ketchikan** area. During this grant cycle, awards will be made for projects that support **COMMUNITY ENRICHMENT**.

Ineligible organizations or activities: Individuals, for-profit, 501(c)(4), 501(c)(6), and non-Alaska based organizations, private or family foundations, state and federal government agencies, and ad hoc groups without a tax exempt legal status are not eligible for competitive grants. Applications for religious indoctrination or other religious activities, endowment building, deficit financing, fundraising, lobbying, electioneering, or activities of political nature will not be considered, nor will proposals for ads, sponsorships, special events (e.g., fundraisers), or travel outside of Ketchikan, and any proposals which discriminate as to race, gender, marital status, sexual preference, age, disability, creed, or ethnicity.

Exceptions: In selected cases, projects undertaken by organizations that normally fall outside the above guidelines may be able to receive funding. Examples include faith-based organizations whose proposal impacts the broader community, and local units of government whose proposal extends beyond the traditional governmental functions that impact the broader community.

Fiscal Sponsorship: Ineligible organizations may be able to receive funding for projects if they seek support from a qualified organization who is willing to provide fiscal sponsorship. Fiscal sponsors must agree to take legal and fiscal responsibility for accepting grant funds from KCF on behalf of the ineligible organization. A letter from the fiscal sponsor must be submitted with the application for the project to be considered. Please review the fiscal sponsor letter template at the end of this document for a full list of requirements.

Grant projects must be completed within one year of award and are subject to the grantee completing an online grant agreement signifying acceptance of the terms and conditions of the grant. A final grant report must also be submitted online by the assigned due date – the final grant report includes a requirement of 3 photos of the project (or impact of the project). Due dates and the forms to submit for these follow-ups can be found by logging into the online grant system.

Evaluation Criteria

The KCF Grants Committee is composed of a volunteer Advisory Board and other community members. The committee strives to facilitate a competitive process that is fair and transparent, and all eligible applications are reviewed and evaluated using a scoring matrix by each committee member.

Evaluation Criteria (continued)

Preference will be given to applicants who have not been funded in the current three-year cycle and to projects which have the potential to impact a broad range of Ketchikan area residents. Applications should detail measurable and achievable outcomes and demonstrate other sources of support, collaboration, and/or cooperation. Applications should also address the sustainability of the proposed program or project for which funding is desired. Thus far, grant amounts have ranged from \$500 to \$7,000 dollars and the Ketchikan Community Foundation typically receives requests for more funding than is available for granting. Please note if partial funding will still allow your organization to achieve success in your grant project.

Evaluation criteria include but are not limited to: the overall merit of the project, the ability of the organization to successfully complete the project, the clarity and measurability of the project's goal, the feasibility of the time frame given for completion of the project, and the number of people served.

Application Requirements

Grant applications must be submitted online by 5:00pm AKST on Friday, February 5, 2021 using the link provided above and on the KCF website (www.ketchikanacf.org) when the application period opens on Monday, January 4, 2021.

Any overdue grant reports or other follow-ups for previous grant awards from ACF and its Affiliates must also be submitted using the online grant system (www.grantinterface.com/Home/Logon?urlkey=alaska) prior to the deadline for the current application to be considered. Due dates and the forms to submit for these follow-ups can be found by logging into the online grant system.
